Searle barrage at Woking net

WYCOMBE WANDERERS 2, WOKING 0

WOKING'S incredible 13-game unbeaten run collapsed under the weight of Wycombe's championship frenzy at Loakes Park on Monday night.

Having sizzled to an earlier 2-0 win at Woking, Wanderers turned on full power again for their visitors' benefit to repeat the dose and snatch another "double" into the bargain.

Bargain? Brian Lee's men were more than good value for the points which so rudely nudged Sutton off the top.

With the sweet scent of glory rearing once more, they had that familiar ring of confidence about them as they set about demolishing a Woking side who last tasted defeat at Wanderers' hands.

Wycombe welcomed back Paul Fuschillo to a defence which collectively looked too strong for Woking to penetrate. Rundle blotted out Oram completely.

Dave Leonard, a former colleague of Searle, Hutchinson and Bremer at Wealdstone, used speed and wile to emerge

as the greatest threat to the security of Wanderers' goal. But even he got small change from John Maskell.

Wycombe's 'keeper, although under par in several recent outings, could hardly be faulted on Monday, effecting some top class saves when necessary.

Collyer's handling was already under suspicion when Wycombe went ahead in the 15th minute.

Like a recurring nightmare to all but Wycombe fans, the old, hackneyed trap sprang again, when Tony Horseman floated over his corner kick and John Delaney leapt up to head the ball home for his fourth goal in five games. Not bad for a centre half!

As Wycombe upped the tempo one stage further, so the visitors allowed desperation to creep into their tactics. Number five Edwards hacked down Keith Searle in much the same way Ian Rundle had been booked for at Barking. But then, and on other occasions throughout the match, he

magnificently to alter its course just enough to push the ball over for a corner.

Cheasman took over from Vandenburg and Bernie Bremer from Horseman, but the issue had long since been decided. Horseman had four cuts on his leg.

Woking soaked up their second education a la Wycombe of 1971, while Wanderers revelled in the freedom and flow that returned to their football.

Sutton, on the other hand, got nothing out of Monday's match. Except, of course, a whole mountain of worries to disturb them!
